September of each year.

Ypsilanti's Fair.

YPSILANTI, August 1.—The nineteenth annual fair of the Eastern Michigan Agricultural Society will be held in this city September 16 to 19, inclusive. Owing to a clashing of dates last year with the Detroit Exposition, disaster for a while stared our fair in the face. The display was fully up to former years, both in quantity and quality, with a large number of premiums to be paid, but without the attendance necessary to fill the treasury of the association. However, on the call for aid our business men came to the front, paid all outstanding claims and reorganized. A prosperous future now evidently awaits it. William Campbell is the president of the society, Chas. E. King, treasurer, and F. P. Bogardus, secretary.

Death of a Market Gardener.
